

The HAKHA Movement

In the Name of Ahura Mazda

Greetings to all freedom loving people

Hereby, we announce to the world the day of uprising by People of Iran for regime change.

After 26 years of enduring pain and suffering, Iranian nation has decided to rise up and regain their fundamental human rights in a non-violent manner. **The day is June 16, 2005 at 10:00 AM, Tehran time.** This day has been chosen by 70 million Iranians for getting their country back from the blood-soaked claws of Mullahs by dismantling the tyrannical government of Islamic Republic.

Like the power of a swift-moving hurricane, People of Iran will join those already on the streets to force the Islamic Republic to leave the reigns of power. Until the end of June 19, the People of Iran should reach their goal of freedom and begin practicing the principals of the HAKHA Movement to establish a democratic government in Iran.

The People of Iran will remain on the streets and will not return to their homes until freedom is achieved.

On June 8, 2005 estimated 30 million people showed their resentment towards their illegal government by peaceful demonstrations throughout the Iranian cities. They shouted Death to Islamic Republic and Death to Mullahs.

The HAKHA Movement will continue to send messages to supporters and members in Military, Law Enforcement Forces, Government Agencies, publishers, intelligence agencies, the oil industry, private companies, merchants and other ranks in society to notify them of their roles and responsibilities on the day of the uprising and thereafter.

On behalf of the HAKHA Movement for freedom and democracy,

Dr. Ahura-Pirouz Khaleghi Yazdi
