

## **The HAKHA Movement**

### **In the Name of Ahura Mazda**

Greetings to all freedom loving people, especially the people of Ancient Land of Iran

This message is from Central Committee for HAKHA Movement and Universal Mind to Arabic speaking Iranians.

During Iran's history, the brave champions of Arabic speaking Iranians, with their bravery and sacrifice have been able to save their country's independence and live with utmost pride. At present day, our country, Iran has once again been attacked by foreigners known as Mullahs and Mullahism Followers, who with lies, hypocrisy, murder and continuous executions have been able to continue their tyrannical rule. Our beloved country, Iran, needs your sacrifice to free her from the bloody claws of these tyrant Mullahs. All Children of Iran are determined, with unity and national uprising to free their country from the rule of these tyrants, and afterwards, in complete freedom, in a democratic referendum choose their future government, and with establishing a regime based on freedom, Human Rights Charter and separation of religion and state, come out of isolation and rejoin the world so that once again Iran becomes a proud country.

In case these tyrants are still ruling at the time of uprising, June 16<sup>th</sup> 2005 at 10:00AM, your heroic act will be a flood that will cover all towns and provinces. All women, youth and other freedom-seeking champions will join each other at that time, so that with a popular uprising, neutralize any resistance from ruling Mullahs and Mullahism Followers and gain control of government. Therefore the unity and vigilance of you Arabic speaking compatriots at this point in time is of utmost importance.

We wish ever increasing good health and success for you all.

On behalf of the HAKHA Movement for freedom and democracy
