

The HAKHA Movement

In the Name of Ahura Mazda

Greetings to all freedom loving people, especially the people of Ancient Land of Iran

This message is from Central Committee for HAKHA Movement & Universal Mind to People of Iran.

Dear compatriots, in today's era all human beings including People of Iran have reached a degree of knowledge and understanding that realize the days of using nuclear and destructive bombs have passed and they have been replaced with penmanship and discourse about realities and awakening of the world. Now the wise and talented people of Iran who have realized the conditions of our time and have united for the rescue of the country and protecting their rights, have chosen the day and hour of their resurrection, so that with a brave uprising, cause the downfall of Mullahs and Mullahism Followers and take charge of their country.

Therefore the good natured Iranians want all the heroic People of Iran to rise up on the specified day and time to free themselves and rescue of their country.

Rise up O heroic nation	Claim your right from all
Free Iran and Iranians	From bloody claws of evils
Now that you know that bearded thief	Free your country from him
Rescue of homeland is with you	Rise is of you and help is of God
He will protect you for sure	From evil intended deeds and beliefs
Do not be afraid from them no more	He will keep you from fear and danger
They will disappear in a breath	So they will not leave a trace
This is how it goes in the world	Consequence of action will be uncovered
Consequence of action will be uncovered	

We wish ever increasing good health and success for you all.

On behalf of the HAKHA Movement for freedom and democracy
