

## **The HAKHA Movement**

### **In the Name of Ahura Mazda**

Greetings to all freedom loving people, especially the people of Ancient Land of Iran

This message is for Persian speaking radios stationed outside of our beloved country of Iran.

BBC Radio, Voice of America, Radio France, Radio Germany, Radio Farda, Radio Sedaye Iran and Radio Israel have daily programs for Persian speaking Iranians across the world and they all claim that they are news media. However the majority of them had an inflammatory role in the downfall of Monarchy in Iran, but none of them as of this date, have published any reports regarding the announcement made on April 8<sup>th</sup> on HAKHA TV declaring 10:00 AM on June 16<sup>th</sup> 2005, the day of national uprising. On May 1<sup>st</sup>, at the invitation of The HAKHA Movement, demonstrations took place across the country at the occasion of The International Workers Day, but only a few radios announced that these demonstrations were in protest against temporary worker's contract, and none of them noticed the slogans for freedom and social welfare in hands of the demonstrators.

Today that People of Iran in capture of the tyrant Mullahs and their followers are under torture and suffering, their national resources are being plundered, are being mass murdered and executed, and are spending the darkest days of their history, are well aware that the Mullahs determination in acquiring nuclear bombs is against the interest of People of Iran and it is only for the Mullahs own evil interests.

As you are all well aware, until now, unfortunately some governments to protect their own interests have been supporting this regime. Now, all governments around the world have realized that the world is under serious threat from these tyrant mullahs and if this regime acquires nuclear bombs, in no time, they will be in hands of their trained terrorists.

Announcement has been made in HAKHA TV that an organized movement called The HAKHA Movement headquartered in US, has been established and its columns have been set up both inside and outside of Iran, so that they can lead the national uprising for downfall of the Mullahs regime and for saving People of Iran. This national uprising is at 10:00 AM on June 16<sup>th</sup> 2005 and has been publicly announced. However this news was not broadcasted in any Persian speaking media. The assumption made by People of Iran

**Uprising – Freedom – Referendum**

## **The HAKHA Movement**

and HAKHA Movement is that these broadcasters are under the influence of the ruling Mullahs and therefore cannot broadcast these news.

The HAKHA Movement is astonished that why Persian speaking radios outside Iran have avoided broadcasting such news that is of great significance to People of Iran and have made no attempt to conduct interviews with members of the Central Committee of the movement.

If your claims regarding providing information and news to people are true, now it is your turn to report on the uprising of People of Iran and with fulfilling your responsibilities as a broadcaster, help People of Iran save their own country and put the mind of rest of the world at ease.

We wish ever increasing good health and success for you all.

On behalf of the HAKHA Movement for freedom and democracy
