

The HAKHA Movement

In the Name of Ahura Mazda

Greetings to all Brave Youth of Ancient Land of Iran

Youth of Iran, as you are well aware, the stupidity and ignorance of the tyrannical ruling Mullahs has constantly been the source of decision makings that are against the interests of our beloved nation, and their consequences have been felt by every individual. The time has come for these ignorant rulers to be brought down from power, so that we can take steps to save and rebuild our country. The continuing hold of them to power will bring about grave danger and deeper consequences to our beloved country causing her rebuilding to be longer and more challenging.

These oppressive Mullahs and their supporters are well aware that they cannot rule educated and aware people, therefore during their rule have constantly tried to promote ignorance and superstition in order to prevent the growth and maturity of mind amongst Iranians. Fortunately, they did not succeed in this endeavor. Children and youth who grew up under this government have achieved a degree of intelligence where the ruling Mullahs can no longer con them.

You, the brave, intelligent youth of Iran are well aware what kind of ignorance is ruling you and your beloved country. From your labor, and country's natural resources, these oppressive Mullahs and their supporters have reached a level of wealth that has put them amongst wealthiest people of the world. These money-hungry Mullahs are still plundering the country's wealth and have dragged you and our other beloved compatriots to poverty, drugs and prostitution and have deprived you from basic living conditions. These tyrants use all of country's resources for reaching their goal and protecting their masters' interests, so that they can gain their support and guarantee their own survival. The foolish actions of the Mullah's regime have on one hand caused the hatred of Iranians and on the other hand have caused the enmity of rest of the world.

Today, the world is determined to change the regime in Iran and is prepared to attack the country. During these decisive moments, with unity and coordination, you can seize this opportunity and with uprising at 10:00AM on June 16th 2005, before our country is attacked by foreign forces, clean our country from the contaminating existence of these tyrant Mullahs, and bring freedom to yourself and ease of mind to the world.

We wish ever increasing good health and success for you all.
