

The HAKHA Movement

In the Name of Ahura Mazda

This message is to those of Jewish Faith, especially Radio Israel.

Although the mannerism in which Radio Israel has always broadcasted news is worthy of applause, they are also expected to broadcast any important event in the world.

It needs to be reminded that during the era of homelessness of Jewish Nation, the ancient Iranians provided a home for you, and with the order of Cyrus the Great, your holy sites were built or repaired. People of Iran have always accepted you and know you as part of themselves. But today that tyrant Mullahs are ruling in Iran, they have announced that one of their goals is to eliminate Jewish People and destroy Israel. Contrary to the will of People, Mullahs are determined to acquire nuclear bomb, so that they can reach their evil goals. In case these ruling tyrants acquire nuclear bomb, they will be a major threat to People of Iran and Israel. They need to be stopped before it is too late.

Announcement has been made in HAKHA TV that an organized movement called The HAKHA Movement, headquartered in US has been established and its columns have been set up both inside and outside of Iran, so that they can lead the national uprising for downfall of Mullahs regime and saving People of Iran. This national uprising is at 10:00 AM on June 16th 2005 and it has been publicly announced.

HAKHA Movement and People of Iran are surprised and disappointed that why officials in Radio Israel like all the other Persian speaking radios outside Iran have refused to broadcast such an important news that bears great significance for People of Iran and People of Israel and have made no attempt to conduct interviews with members of the Central Committee of the movement.

Given thousands of years of good will from People of Iran towards you, now it is your turn to return the favor. It is your turn to fulfill your journalistic duties and help People of Iran, so that with saving themselves, they also save the Jewish Nation from danger and put the mind of people around the world at ease.

We wish ever increasing good health and success for you all.

On behalf of the HAKHA Movement for freedom and democracy
