

The HAKHA Movement

In the Name of Ahura Mazda

Message to Government Employees, Factory Workers and Private Sector Employees

It has been more than 26 years that tyrant Mullahs and their henchmen, with hypocrisy and lies, murder, cruelty and continuous executions have been able to destroy our National Security and with their terrorist activities and pillaging our national wealth paralyze the country's economy and promote poverty, unemployment, drug addiction, brain drain and cause infamy for Iranians. During all this, you, beloved workers and employees have been the victims of the inauspicious goals of tyrant Mullahs. Many of you can no longer even afford the living expenses for yourself and your family.

The ruling Mullahs have taken their inhumane and evil acts to a level that has caused the enmity of the world and has put Iran under the siege and threat of foreign forces.

The time has come that you, my dear compatriots rise up and rescue the country from the hands of tyrant Mullahs, so that with freedom, peace and security be able to create economic prosperity. The national uprising which has been publicly announced, commences on June 16th, 2005 at 10:00 AM. HAKHA Movement is inviting you and all Iranians to participate in this national uprising and with bringing down the regime of tyrant Mullahs, take power into your own hands.

We wish ever increasing good health and success for you all.

On Behalf of HAKHA Movement for freedom and democracy

Dr. Ahura-Pirouz Khaleghi Yazdi
