

The HAKHA Movement

In the Name of Ahura Mazda

Hereby, we announce to the people of Iran the day of uprising for a regime change

People of Iran, as we had made a promise to notify you of the date and time of the resurrection movement, with this message we proclaim that the day and hour of the uprising will be from 10:00 A.M. Tehran Time on June 16, 2005.

Like the power of a swift-moving hurricane, we wish to have the people of Iran to join those already on the streets to increase forces against the Islamic Regime so that before the movement reaches its destination, the Islamic Regime cannot defend itself and is forced to leave. Until the end of June 19, the people of Iran should reach their goal of freedom and begin practicing the principals of the HAKHA Movement to establish a democratic government in Iran.

The HAKHA Movement will continue to send these messages to our supporters in the ranks of the military, police, city watchmen, officers, temporary agencies, publishers, intelligence agencies, the oil industry, and private companies to notify them of their roles and responsibilities on the day of the uprising and thereafter.

The people of Iran should not separate from their crowds outside and should not return to their homes until the freedom is achieved.

In the end, we have high hopes of victory for everyone.

On behalf of the HAKHA Movement for freedom and democracy

Dr. Ahura-Pirouz Khaleghi Yazdi
