Your tireless struggle for freeing Iran and exposing Mullahs and the supporters of Mullahism that is ruling Iran and also your benevolent efforts for founding groups and organizations composing of Patriotic Iranians have always been applauded.

During the last few months The HAKHA Popular Movement was able to establish Central Committee of HAKHA Movement & Universal Mind and set up columns amongst Islamic Republic's Governmental and Military Agencies and also amongst the young people and other champions of freedom inside Iran. At this time Iranians inside Iran are united and are ready for the "Resurrection Day" on June 16th 2005. Therefore Central Committee has determined the importance of establishing The Coordination & Leadership Council consisting of 77 patriotic Scientists & Specialists.

At this time you are required by this Committee to choose and introduce your desired representatives for membership in The Coordination & Leadership Council. They will be invited to participate in a General Meeting of all selected representatives, at which time the Leadership Council will be elected.

The duties of the Leadership Council are:

- Compile a charter which will be passed and adopted in General Meeting.
- To elect The Coordination & Leadership Council that will act as the Interim Government which will take office after Resurrection Day and until the referendum to determine the type of future government in Iran has taken place, Members of Parliament have been elected, a Constitution has been written and a new Government has been elected, after which you will be able to collaborate in an Advisory role.

Given the predetermined time of Resurrection Day, it is requested that in addition to collaborating with and providing guidance to Committee, that you select your representatives no later than May 7th 2005.

If there is a delay in this selection, then Central Committee has no choice but to take action in selecting the above mentioned 77 people. However, this Committee has a pressing need for your collaboration and guidance and it is hoped that with the resources that you have access to, you will take the necessary steps for the success of Resurrection Day which will be on June 16th 2005 at 10:00 AM.

The General Manager and members of the Leadership Council will be introduced to Iranian People and world officials and leaders by the Central Committee, so that they can fulfill their assigned duties in Iran and rest of the world.

We wish ever increasing good health and success for you all.
