### **In the Name of Ahura Mazda**

Greetings to all freedom loving people, especially the people of Ancient Land of Iran

O Children of Cyrus, the young, women, courageous men and heroes of Kurdish, Lur, Bakhtiari, Gashghai, Turkemen, Boir Ahmadi, Baluchi , Azari speaking & Arab speaking tribes and ethnic groups, you are the valiant heroes of Iran. Your ancestors throughout the history have been able to protect their beloved country of Iran from the attack of foreign forces and protect her independence.

Now that hand of foreigners are showing from the Mullahs' and followers of Mullahism sleeves, and the fanatical, uneducated, tyrant and betraying Mullahs are ruling your country, and by committing atrocities and treason, by committing mass murders and executions against People of Iran, and by stealing and plundering wealth and thousands of other illegal activities are hated by People of Iran and now that these blood thirsty, beggarly enemies of Iran for pursuing their own greed and evil deeds, are developing weapons of mass destruction, they are the target of hatred by the rest of the world, so much so that Iran and Iranians are at the verge of attack by foreign forces.

Now it is expected that all of you courageous Iranians rise up so that with your insurrection and mutual collaboration, before your country is attacked by foreign forces to free her up from the rule of Mullahs and Mullahism Followers, and once again prove to the world that Iran is still the place for heroes and champions, and today Iranians in accordance with their ancestors bravery and sacrifices can protect their country and reach freedom and democracy with pride.

Of course the necessary instructions will be given in upcoming messages.

We wish ever increasing good health and success for you all.

On behalf of the HAKHA Movement for freedom and democracy
