

The HAKHA Movement

In the Name of Ahura Mazda

Appreciation Message for the non-violence Demonstration on Sept. 26, 2004

Greetings to Dear Compatriots;

Greetings to you, the soldiers of Cyrus that with your sheer and affectionate presence on September 26th and since then have proven to the world that you are seeking freedom and are defenders of peace and friendship in the world.

This proof is apparent from the broadcast of your demonstrations in domestic and international media and international publications. On the historic day of September 26th, it was proven to you my dear compatriots that you are capable to save Iran from the hands of these tyrant rulers without the interference of foreign powers.

I thank each and every one of you.

You, the children of Cyrus the Great have proven to the world that you can determine Iran's destiny and with relying on our fundamental heritage of "Good Thoughts. Good Deeds. Good Words", with friendship, reconciliation and unity, can all be guided towards a free, prosperous and happy tomorrow in Iran.

Dear compatriots, I once again congratulate you all. I am proud of you, because you have successfully completed the first stage of this struggle, the struggle which will continue until the day the regime of tyrant Mullahs falls. You, my dear compatriots have proven that you can fearlessly bring down the crumbling walls of the tyrant Mullahs republic and can place fear in the murderers of this terrorist regime.

My dear compatriots, after September 26th, we have now entered the next stage of this national movement, the details of which will be given to you in coming days.

My friends, as you know, and I have talked about it many times, the voice of this popular movement has to reach all ranks of the society and be supported by majority of our patriotic armed forces, so that without bloodshed and with least amount of collateral damage we become victorious and achieve freedom. For this reason and with advisement of many of my compatriots inside and outside of Iran, I have briefly postponed my trip to Iran which was to take place on October 1st, so with further coordination and with using element of surprise, together continue this movement until the downfall of Mullahs regime.

My dear compatriots, the week that ended was a successful week for our movement. During this week we were able to speak with various activist groups and Iranian media and with those that

Uprising – Freedom – Referendum

The HAKHA Movement

heard your united voice on September 26th and were able to reach consensus on them joining this national movement, the details of which will be given to you shortly.

My loving friends, as you know during the recent months we achieved many major triumphs:

1. We remembered that we have 2563 years of history, a history that we should be proud of.
2. We were able to return to our ancient principle and be able to use these principle in our lives and with greater confidence be able to be kind, and extend friendship towards each other.
3. We decided that instead of days of mourning, observe days of festivity such as “Mehregan”.
4. Proved to the world that regime of the ruling Mullahs is not elected by People of Iran.
5. Proved that many members of Revolutionary Guards and Security Forces are supporting this popular movement and for reaching a Free Iran, they are with People of Iran.
6. We learned that our slogan should always be “Happiness, Kindness, and National Coordination & Unity”.

My dear compatriots, in very near future, we shall celebrate the fall of the tyrant Mullahs. However, this depends on “Good Thoughts. Good Deeds. Good Words” manifests itself in all of you and use any possible occasion for happiness and celebration. We should also use civil disobedience to show our opposition to Mullahs regime.

My compatriots, rest assured that we are victorious and we shall soon celebrate this victory together.
