

The HAKHA Movement

In the Name of Ahura Mazda

For the Occasion of Chahar Shanbeh Suri (Persian Event) on March 15th

Greetings to my dear compatriots,

It has been 26 years that our country Iran has been in captivity of Islamic Republic. We all know that during these years, the tyrant Mullahs have tried to eliminate our national traditions and costumes, because they know that us Iranians with the help of our national values can rescue Iran from the hands of ruling Mullahs.

My compatriots, Chahar Shanbeh Suri is approaching. On this night, the eve of last Wednesday of the year, ancient Iranians had celebrations and with jumping over fire, would distance bad omens from themselves so that they would have a happy new year. Dear compatriots, we too, with celebrating this national event to its fullest extent can distance misery and bad luck from our country and prepare ourselves for “Resurrection Day”, the day Iran will be free.

Therefore I am asking all Iranians that with big celebrations prove to other countries that you demand downfall of Islamic Republic and establishment of a popular Government and a free society.
